WEBSITE: [WWW.MAINERWA.ORG](http://WWW.MAINERWA.ORG)

Dear MRWA Member,

Enclosed are your 2013 Consumer Confidence Report (CCR), the State CCR Certification Form, and information on electronic CCR filing. The data for the CCR are compiled from a variety of sources including the Maine Drinking Water Program. ***Please review this report carefully and contact Jason Blais ([jasonblais@mainerwa.org](mailto:jasonblais@mainerwa.org)) for any corrections or questions.***

**BY JULY 1, 2014 YOU ARE REQUIRED TO:**

- Distribute your CCR
  - Make copies of your CCR and mail or hand deliver the report to each of your paying customers (*You must make a good faith effort to distribute the report to non-bill-paying customers. To reach your bill-paying customer, you may include the report with water bills or you may send the reports as separate mailers.*)
  - CCRs may now also be delivered electronically. For more information please see the attached EPA memo and DWP Summary of Electronic Distribution.
- Send a copy of your report to the State of Maine, Drinking Water Program at:  
**State of Maine, Drinking Water Program**  
**Attn: (your compliance officer)**  
**11 State House Station**  
**Augusta, ME 04333-0011**

**BY OCTOBER 1, 2014 YOU ARE REQUIRED TO:**

- Complete the Certification Form (*include the date that you mailed/distributed the report, check off all additional steps that your system took to inform your consumers, fill out the system information at the bottom of the page, sign the form.*)

- We **STRONGLY RECOMMEND** that you send your completed Certification Form and a copy of your CCR to the State of Maine, Drinking Water Program, ***stapled together***, for the July 1, 2014 deadline.
- Remember to keep a copy of this report on file for at least the next three (3) years and make it available to the public upon request.
- All CCRs completed by MRWA will be posted on our website by June 30, 2014 at: <http://www.mainerwa.org/find-your-consumer-confidence-report.html>. (This link is not an acceptable CCR delivery method per EPA.)

Thank you for the opportunity to work on your CCR.

Sincerely,

Jason Blais
